

RESULTS ICORE AUSTRALIA POSTAL MATCH No. 1/06

I'd like to thank the 220 odd shooters for participating along with the various Club coordinators for getting the results back to me in a timely manner. Shooters from 3 different countries sent scores in, mainly Australia & the USA however there were a couple from Germany that also sent scores in. Glad to have you all.

The final results were very close with 1st place going to Todd Crow taking out the Overall and Open by less than a second over Paul Kennedy with Mark Itzstein in third place.

The Limited results were close also with 1st place going to Dan Carden from 2nd place Les Nielson and Ian Bond in 3rd place. Well done Ian, those new eyes are working well.

It was also interesting to see a lot of names from the various revolver forums participating; I hope you enjoyed the challenge. There were some noticeable Australian absences from this match; hopefully they can shoot the 2nd round of the series.

If this little taste of ICORE has whet your appetite, the 2nd Match in this series is now available to be downloaded and has a similar easy set up, so shooting it indoors should not be a problem.

Thanks for participating,

Paul Kennedy
