

## **Sixth Annual ICORE Postal Match**

It's over! The Sixth Annual ICORE Postal Match proving to be a popular challenge with 368 revolver shooters taking part. This year competitors from the USA, Australia and Switzerland took part and if this year is an indication then next year should be a huge one. There were 256 shooting Limited and 112 in the Open Division.

The Overall and Open winner for this year was Michael Ruesch over Paul Kennedy in 2<sup>nd</sup> and Rolf Reich in 3<sup>rd</sup> place.

In the Limited Division John Burkholder took out the win over Elliot Aysen in 2<sup>nd</sup> place and Tom Hubbard in 3<sup>rd</sup> place.

Top Lady in Open was Anitta Mackiewicz and Top Lady in Limited was Annette Aysen.

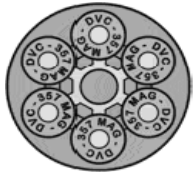

For the first time Vic Pickett did not win this Annual Postal match, bad luck Vic but it is great to see that there are some talented shooters coming through. Keep up the good work fellas. I don't know if Vic just had a bad day, but I suspect he will be back at his best next year.

These matches just don't happen so special thanks to the organisers at the Clubs that ran the match and for their efforts with the props and the correct setting up of the stages. Most of the results returns were in the correct format, which certainly made my job a bit easier, so thanks again. I'd also like to thank Ron Williamson for his behind the scene assistance with this match.

Congratulations to the winners and to all the competitors that took part this year, I hope you enjoyed shooting the stages. Perhaps you could encourage some new shooters to take part in next years postal to help make next years match bigger then ever and help promote ICORE awareness to the wider shooting community.

Regards
