

## Results 2008 Aussie Postal Series

Overall I'd say it was a successful 3 match series. There were good turnouts for each of the 3 matches however in the end there were only 55 shooters eligible.

To be eligible, you must have shot in each of the 3 matches in the same division. For those that shot a match more than once in the same division the score from the earliest date the match was shot was included in the results.

Open Winner        Clay Donnan from Australia.  
Limited Winner    Elliot Aysen from U.S.A.

Top Lady Open     Charmaine Donnan from Australia.  
Top Lady Limited  Annette Aysen from U.S.A.

Looking at the winners, there seems to be a pattern. Congratulations to the winners and all the shooters that managed to compete in the 3 match series.

We will probably run the series again next year but for now download a copy of the International Postal Match for 2008 and give that a try and once again try and introduce someone new to ICORE.

Thanks for taking part.
