

RESULTS, 9th ICORE INTERNATIONAL POSTAL MATCH (2009)

It's over for another year. 280 shooters this time with entries from the USA, Australia and Italy. Numbers were down this year, I can't explain why, perhaps it's because of the weather, financial crisis or so many other matches being run.

Next year we will include Retro Division. I hope we can attract more shooters overall, more countries, and more ladies and juniors. Perhaps we can crack the elusive 400 mark.

A special thanks to the all the co-ordinators that organised and ran this match at the various Clubs. Without your efforts this match would not be.

For this match the major places were taken out by,
