

11th ICORE INTERNATIONAL POSTAL MATCH RESULTS. (2011)

Yes its over for another year. Another great turnout with a record 434 scores being submitted. Figures are up by around 50 on last year. This match was shot on 33 occasions at different Clubs throughout Australia, the USA and Italy. Naturally this match would not go ahead without the Club co-coordinators. This dedicated bunch made the effort of running the match at their various Clubs for you all to enjoy, so special thanks to them, for without their help and enthusiasm this match would not eventuate.

The competition is getting tougher with some Clubs running the match more than once just to have a chance at putting in a better score. Classic was very well supported again this year with 103 shooters taking up the challenge.....and what a tough deal it is, using a 6 shot with speedloaders. I shot Classic when my Club ran the match for a 2nd time and it certainly takes a revolver shooter back to his roots with a thud. I have the greatest admiration for anyone that shoots a 6 shot with open sights and speedloaders.

Matt Sheehan, a young shooter from Australia took out Limited this year. Matt has only been shooting a couple of years and will be a major talent to contend with in the coming years. Rich Wolfe took out Open and Josh Lentz walked away with Classic. Special congratulations to the 3 juniors, Haden, Mickey and Colton, well done and we hope to see you boys back next year.

For this match the major places were taken out by,

Limited	Open	Classic
1 st Matt Sheehan	1 st Rich Wolfe	1 st Josh Lentz
2 nd David Olhasso	2 nd Paul Kennedy	2 nd Paul Kennedy
3 rd Elliot Aysen	3 rd David Olhasso	3 rd Harold Nicholson
Top Lady Limited	Top Lady Open	Top Lady Classic
Annette Aysen	Anita Mackiewicz	Belinda Micallef
Top Junior Limited	Top Junior Open	Top Junior Classic
Haden Farrister	Mickey Carmichael	Colton Vosburg

Congratulations to everyone that competed, I hope you all found the stages challenging enough. The Annual ICORE International Postal Match will be run again in 2012 so until then you about 9 months to practice, so get out there and enjoy those revolvers and help push ICORE awareness at your local club.

Best wishes for the new year.

Paul Kennedy
