

## 2017 ICORE INTERNATIONAL POSTAL MATCH

Welcome to our 2017 Postal Match! The International Postal Match is intended to promote ICORE and revolver shooting. ICORE membership is not required to participate. The club hosting the match does not need to be an affiliated ICORE club. First-time ICORE shooters and non-ICORE clubs are encouraged to join the fun to spread an awareness of ICORE to the broader shooting community.

This match is run entirely on an honor system. We ask that all participants respect this and their fellow competitors. Please set up the match accurately according to the stage instructions, and run it in accordance with ICORE rules. Download the rules from [www.icore.org](http://www.icore.org).

You may shoot in one or more of these ICORE revolver divisions: Classic, Limited, Limited 6, Open, and .22 rim fire. You may also shoot any division more than once, just not on the same day.

**NOTE!** To report results, use the official match Excel spreadsheet (also posted on the ICORE website under the Events tab, 2017 schedule). Altering the spreadsheet causes unnecessary work for the Postal Match Director and increases the probability of errors, so please use it as is. (Results in an altered format may be returned for correction before they are accepted.)
