Welcome to the 2019 ICORE Postal Match! The International Postal Match is here to promote revolver shooting, ICORE, and friendly competition across the world.

The hosting club does not need to be affiliated with ICORE, nor is ICORE membership mandatory to compete in the match. Results will be submitted on an honor system. We ask that all participants respect this and set up the match accurately according to the stage instructions, follow ICORE rules, and submit the proper scores. The ICORE Rule Book is online at http://icore.org/rulebook.html.

You may shoot the postal match in one or more of five divisions: Rim Fire, or any of the four official ICORE Divisions of Open, Limited, Limited6, or Classic. You may shoot any division more than once, just not on the same day. Only one gun per division will be recognized for prizes and placement.

This year we have something special, with two very generous companies sponsoring the postal match and supplying a few prizes to the shooters.

SUBMITTING & MATCH DEADLINE

All results and questions should be submitted to me at IPM-2019@icore.org. Please submit the scores using the spreadsheet in the proper format.

I will confirm receipt of scores within 7 days. If you do not hear back from me, please send a follow-up email.

The deadline for submitting match results is December 31, 2019.

NOTE! To report results, use the official match Excel spreadsheet (also posted on the ICORE website under the Events tab, 2019 schedule). Altering the spreadsheet causes unnecessary work for the Postal Match Director and increases the probability of errors, so please use it as is. (Results in an altered format may be returned for correction before they are accepted.)

Enter info into the spreadsheet by typing as follows:

NAME
Enter First and Last name with upper and lower case letters. Example: Matthew Dillon

CATEGORY

SS for Super Senior (age of 65 or older on the day of the match)
SY for Snubby (revolver with barrel of 3” or less and cylinder with 6 chambers max)

DIVISION
Enter the appropriate abbreviation for the division:
C for Classic
L for Limited
L6 for Limited 6
O for Open
RF for Rim Fire

DATE
Enter the date however you want. The date will appear in a format that was preset.
Prizes & Rules

With the exception of the categories and divisions listed on page 2 and the prize structure on page 3 of this match book, the ICORE Rule Book applies. http://icore.org/rulebook.html

Division winners (Classic, Limited, L6, Open, Rim Fire) will be awarded a prize. Prize winners thereafter will be selected at random.

You must be a current ICORE member at the time of match completion to be eligible to claim a prize.

The actual results will be posted, but competitors will only be eligible to win a prize once. Division winners will not be eligible for the random drawing.

In addition, each of the following will receive an ICORE Postal Match Winner hat: (1) winner of each ICORE Division/Class, (2) high overall Rim Fire, (3) high overall Lady, (4) high overall Senior, (5) high overall Super Senior, (6) high overall Junior, (7) high overall Snubby.

Ibejiheads Coated bullets has donated (10) TEN gift certificates for a 500-bullet pack.

TK Custom has donated (4) FOUR gift certificates for a pack of moonclips.

**NOTE:** Only USA competitors will be eligible to claim the gift certificates. If you are a non-USA competitor who is selected for a gift certificate, ICORE will pay out the product dollar value to the winner via PayPal.

Thank you, and enjoy the match!
