

## 2025 International Revolver Championship Proposals

Calling all members!!!

ICORE is looking for prospective locations for the 2025 International Revolver Championship. Rio Salado is no longer able to host.

Over the years, many ranges have completed improvements which make them suitable for hosting an IRC, but these may not be known outside of their local area. If your range is interested, please tell us about it in a proposal!

Not sure what to include in a proposal?  
Mike Wiggins, Regional Series Director, has developed a list of things that should be considered in a Regional or IRC match. Please check ICORE Rules and the Policy & Procedure Manual for specifics and requirements on certain things.

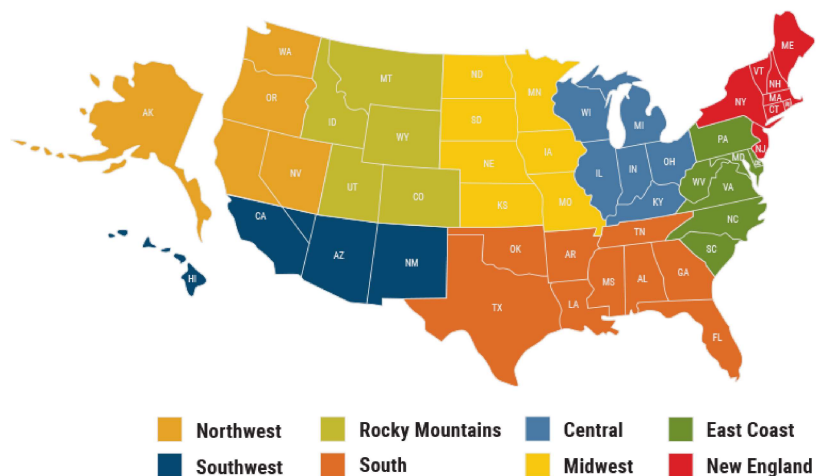

- ICORE Region
- Host Club/Range
- Range location
- Proposed match dates
- Match Director contact info, including prior major matches under their direction.
- Range Master info, including prior major matches they have worked as an RM or equivalent.
- Proposed number of stages
- Range competitor capacity
- Proposed squad or match flow timeline

- Staffing info such as ROs, Chrono, Mr. Fix it, Stats/Device, Check in,
- Potential local vendors
- Nearby airport, lodging, eating places to help shooters plan for trip.

Proposals are due by:  
 February 19th, 2025 3:00 pm EST.  
 Send proposals to: [info@icore.org](mailto:info@icore.org)

Questions about the IRC or Regionals, please email Mike Wiggins: [regionalseries@icore.org](mailto:regionalseries@icore.org)
